UNITED STATES PATENT OFFICE

B. F. Gladding & Co. Inc., South Otselic, N. Y.

Act of 1946

Application July 5, 1947, Serial No. 527,058

GLASGOW

(Statement)

B. F. Gladding & Co. Inc., a corporation duly organized under the laws of the State of New York and located at South Otselic, New York, and doing business at South Otselic, New York, has adopted and used the trade-mark shown in the acompanying drawing, for FISHING LINES, in Class 22, Games, toys, and sporting goods, and presents herewith five specimens showing the trade-mark as actually used by applicant upon the goods, and requests that the same be registered on the Principal Register in the United States Patent Office in accordance with section 2(f) of the act of July 5, 1946. The trade-mark has been continuously used and applied to said goods in applicant's business since during the year 1912. The trade-mark is applied or affixed to the goods or the packages containing the same by attaching thereto a label upon which the trade-mark is shown, and/or by printing the trade-mark on the packages containing the goods. The trade-mark was first used in interstate commerce in the United States during the year 1912 and has been in substantially exclusive and continuous use by applicant in such commerce for the five years next preceding July 5, 1947.

(Declaration)

I, Billie A. Coleman, being duly sworn, depose and say that I am the vice-president of the corporation, the applicant named in the foregoing statement; that I believe the foregoing statement is true; that I believe said corporation to be the owner of the trade-mark sought to be registered; that no other person, firm, corporation, or association, to the best of my knowledge and belief, has the right to use said trade-mark in interstate commerce in the United States, either in the identical form, or in any such near resemblance thereto as might be calculated to deceive; that said trade-mark is used by said corporation in commerce among the several States of the United States; that the description and drawing presented truly represent the trade-mark sought to be registered; and that the specimens show the trade-mark as actually used on the goods.
